

INTERCARE SOMERSET WEST PHYSICAL REHABILITATION HOSPITAL

Referral Process

Referring Specialist

- Download and complete the [Patient Referral Form \(IDH020\)](#).
- Alternatively, forward your referral notes to the case manager.

Ward Staff

- Contact the case manager to obtain the form.

Case Manager

- Conduct a bed assessment for the patient in the acute hospital.
- Gather the required information and coordinate with the relevant medical scheme to obtain authorisation.
- Notify the referring specialist and the hospital ward staff as soon as authorisation is secured for the patient's transfer.
- Inform the patient's family about the arrangements for the transfer.
